BAGGING RICE & BEANS FOR PERSON-TO-PERSON – COMMUNITY SERVICE IS INTEGRAL TO FUTURE 5

Leslina, Liz, Jennifer, Anthony, Gerrienne (Community Service Coach), Christine & Kevin

Future 5 instills our members with key character traits such as resilience, persistence, and the importance of giving back to our community. In May, our students created nourishing bags of rice and beans for delivery to Person-to-Person families.

Our graduating class of 2014 will have 42 senior high students and 39 of these students are planning to attend four-year and/or community colleges! Please give generously to help Future 5 ensure success as they transition to productive citizens in their post-grad world...thank you!
